

PRIVACY POLICY OF playfingerstyle.co.uk

©2022 James Williams

This Application collects some Personal Data from its User

Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: email address, Cookies, Usage Data, password, first name, last name and Email.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Application.

Unless specified otherwise, all Data requested by this Application is mandatory and failure to provide this Data may make it impossible for this Application to provide its services. In cases where this Application specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies - or of other tracking tools - by this Application or by the owners of third-party services used by this Application serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy, if available.

Users are responsible for any third-party Personal Data obtained, published or shared through this Application and confirm that they have the third party's consent to provide the Data to the Owner.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorised access, disclosure, modification, or unauthorised destruction of the Data.

The Data processing is carried out using computers and/or IT enabled

tools, following organisational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Application (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes. Note: Under some legislations the Owner may be allowed to process Personal Data until the User objects to such processing ("opt-out"), without having to rely on consent or any other of the following legal bases. This, however, does not apply, whenever the processing of Personal Data is subject to European data protection law;
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about

the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Users are also entitled to learn about the legal basis of Data transfers to a country outside the European Union or to any international organisation governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

If any such transfer takes place, Users can find out more by checking the relevant sections of this document or inquire with the Owner using the information provided in the contact section.

Retention time

Personal Data shall be processed and stored for as long as required by the purpose they have been collected for.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfil such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to do so for the performance of a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right to access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Services, as well as for the following purposes: Contacting the User, Interaction with external social networks and platforms, Registration and

authentication, Access to third party services' accounts, Handling payments, Infrastructure monitoring, Interaction with live chat platforms, Remarketing and behavioural targeting, Managing contacts and sending messages, Analytics, Displaying content from external platforms, Commercial affiliation, Interaction with support and feedback platforms, User database management, Managing support and contact requests and Hosting and backend infrastructure.

Users can find further detailed information about such purposes of processing and about the specific Personal Data used for each purpose in the respective sections of this document.

Facebook permissions asked by this Application

This Application may ask for some Facebook permissions allowing it to perform actions with the User's Facebook account and to retrieve information, including Personal Data, from it. This service allows this Application to connect with the User's account on the Facebook social network, provided by Facebook Inc.

For more information about the following permissions, refer to the Facebook permissions documentation and to the Facebook privacy policy.

The permissions asked are the following:

Basic information

By default, this includes certain User's Data such as id, name, picture, gender, and their locale. Certain connections of the User, such as the Friends, are also available. If the User has made more of their Data public, more information will be available.

Email

Provides access to the User's primary email address.

Insights

Provides read access to the Insights data for pages, applications, and domains the user owns.

Manage Pages

Enables the application to retrieve access tokens for Pages and Applications that the user administrates.

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Access to third party services' account

This type of services allows this Application to access Data from your account on a third party service and perform actions with it.

These services are not activated automatically but require explicit authorisation by the User.

Access to the Twitter account (Twitter, Inc.)

This service allows this Application to connect with the User's account on the Twitter social network, provided by Twitter, Inc.

Personal Data collected: various types of Data as specified in the privacy policy of the service.

Place of processing: US - Privacy Policy.

Access to the Facebook account (This Application)

This service allows this Application to connect with the User's account on the Facebook social network, provided by Facebook, Inc.

Permissions asked: Email, Insights and Manage Pages.

Place of processing: US - Privacy Policy.

Analytics

The services contained in this section enable the Owner to monitor and analyse web traffic and can be used to keep track of User behaviour.

Facebook Ads conversion tracking (Facebook, Inc.)

Facebook Ads conversion tracking is an analytics service provided by Facebook, Inc. that connects data from the Facebook advertising network with actions performed on this Application.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy.

Google AdWords conversion tracking (Google Inc.)

Google AdWords conversion tracking is an analytics service provided by Google Inc. that connects data from the Google AdWords advertising network with actions performed on this Application.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy.

Matomo (this Application)

Matomo is an analytics software used by this Application to analyse data directly without the help of third parties.

Personal Data collected: Cookies and Usage Data.

KISSmetrics (KISSmetrics)

KISSmetrics is an analytics service provided by Kissmetrics Inc.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy - Opt Out.

Google Analytics with anonymised IP (Google Inc.)

Google Analytics is a web analysis service provided by Google Inc. ("Google"). Google utilises the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualise and personalise the ads of its own advertising network.

This integration of Google Analytics anonymises your IP address. It works by shortening Users' IP addresses within member states of the European Union or in other contracting states to the Agreement on the European Economic Area. Only in exceptional cases will the complete IP address be sent to a Google server and shortened within the US.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy - Opt Out.

Twitter Ads conversion tracking (Twitter, Inc.)

Twitter Ads conversion tracking is an analytics service provided by Twitter, Inc. that connects data from the Twitter advertising network with actions performed on this Application.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy.

Segment (Segment Inc.)

Segment is an analytics service provided by Segment Inc.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy.

Display Advertising extension for Google Analytics (Google Inc.)

Google Analytics on this Application might use Google's Interest-based advertising, 3rd-party audience data and information from the DoubleClick Cookie to extend analytics with demographics, interests and ads interaction data.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy - Opt Out.

User ID extension for Google Analytics (Google Inc.)

Google Analytics on this Application makes use of a feature called User ID. This setup allows for a more accurate tracking of Users by associating that User with the same ID over various sessions and devices. It is set up in a way that doesn't allow Google to personally identify an individual or permanently identify a particular device.

The User ID extension might make it possible to connect Data from Google Analytics with other Data about the User collected by this Application.

The opt-out link below will only opt you out for the device you are on, but not from tracking performed independently by the Owner. Contact the Owner via the email address provided in this privacy policy to object to the aforementioned tracking as well.

Personal Data collected: Cookies.

Place of processing: US - Privacy Policy - Opt Out.

Heap Analytics (Heap Inc.)

Heap Analytics is an analytics service provided by Heap Inc.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy.

MixPanel (MixPanel)

MixPanel is an analytics service provided by Mixpanel Inc.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy - Opt Out.

Commercial affiliation

This type of services allows this Application to display advertisements for third party products or services. Ads can be displayed either as advertising links or as banners using various kinds of graphics.

Clicks on the icon or banner posted on the Application are tracked by the third-party services listed below, and are shared with this Application.

For details of which data are collected, please refer to the privacy policy of each service.

Contacting the user

Mailing List or Newsletter (This Application)

By registering on the mailing list or for the newsletter, the User's email address will be added to the contact list of those who may receive email messages containing information of commercial or promotional nature concerning this Application. Your email address might also be added to this list as a result of signing up to this Application or after making a purchase.

Personal Data collected: email address.

Displaying content from external platform

This type of services allows you to view content hosted on external platforms directly from the pages of this Application and interact with them.

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

YouTube video widget (Google Inc.)

YouTube is a video content visualisation service provided by Google Inc. that allows this Application to incorporate content of this kind on its pages.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy.

Wistia widget (Wistia, Inc.)

Wistia is a video content visualisation service provided by Wistia, Inc. that allows this Application to incorporate content of this kind on its pages.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy.

Typekit (Adobe Systems Incorporated)

Typekit is a typeface visualisation service provided by Adobe Systems Incorporated that allows this Application to incorporate content of this kind on its pages.

Personal Data collected: Usage Data and various types of Data as specified in the privacy policy of the service.

Place of processing: US - Privacy Policy.

GitHub button and social widgets (GitHub Inc.)

The GitHub button and social widgets are services allowing interaction with the GitHub and Gist services provided by GitHub, Inc.

Personal Data collected: Usage Data.

Place of processing: US - Privacy Policy.

Swifttype (Swifttype Inc.)

Swifttype is a search engine embedding service provided by Swifttype Inc. that allows this Application to incorporate content of this kind on its pages.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy.

Headway widget (Oskar Krawczyk/Piotr Zalewa)

Headway widget is a content visualisation service provided by Headway and Oskar Krawczyk/Piotr Zalewa.

Personal Data collected: Cookies and Usage Data.

Place of processing: Poland - Privacy Policy.

Handling payments

Payment processing services enable this Application to process payments by credit card, bank transfer or other means. To ensure greater security, this Application shares only the information necessary to execute the transaction with the financial intermediaries handling the transaction.

Some of these services may also enable the sending of timed messages to the User, such as emails containing invoices or notifications concerning the payment.

PayPal (PayPal Inc.)

PayPal is a payment service provided by PayPal Inc., which allows Users to make online payments using their PayPal credentials.

Personal Data collected: various types of Data as specified in the privacy policy of the service.

Braintree (PayPal Inc.)

Braintree is a payment service provided by Braintree, a division of PayPal, Inc.

Personal Data collected: various types of Data as specified in the privacy policy of the service.

Hosting and background infrastructure

This type of service has the purpose of hosting data and files that enable this Application to run and be distributed as well as to provide a ready-made infrastructure to run specific features or parts of this Application. Some of these services work through geographically distributed servers, making it difficult to determine the actual location where the Personal Data are stored.

Interaction with external social networks and platforms

This type of services allow interaction with social networks or other external platforms directly from the pages of this Application.

The interaction and information obtained through this Application are always subject to the User's privacy settings for each social network.

This type of service might still collect traffic data for the pages where the service is installed, even when Users do not use it.

Twitter Tweet button and social widgets (Twitter)

The Twitter Tweet button and social widgets are services allowing interaction with the Twitter social network provided by Twitter Inc.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy.

Facebook Like button and social widgets (Facebook, Inc.)

The Facebook Like button and social widgets are services allowing interaction with the Facebook social network provided by Facebook, Inc.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy.

Google+ +1 button and social widgets (Google Inc.)

The Google+ +1 button and social widgets are services allowing interaction with the Google+ social network provided by Google Inc.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy.

Interaction with live chat platforms

This type of services allows Users to interact with third party live chat platforms directly from the pages of this Application, for contacting and being contacted by this Application support service.

If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service. Moreover, live chat conversations may be logged.

[If you have any live chat platform integrated with your website list it here, the type of personal data collected their country of business and their privacy policy link]

Managing support and contact request

This type of services allows this Application to manage support and contact requests received via email or by other means, such as the contact form.

The Personal Data processed depend on the information provided by the User in the messages and the means used for communication (e.g. email address).

Managing contacts and sending message

This type of services makes it possible to manage a database of email contacts, phone contacts or any other contact information to communicate with the User.

These services may also collect data concerning the date and time when the message was viewed by the User, as well as when the User interacted with it, such as by clicking on links included in the message.

[Autoresponder Name]

[name] is an email address management and message sending service provided by
[Autoresponder name]

Personal Data collected: email address.

Place of processing: country - [Privacy Policy link]

Registration and authentication

By registering or authenticating, Users allow this Application to identify them and give them access to dedicated services.

Depending on what is described below, third parties may provide registration and authentication services. In this case, this Application will be able to access some Data, stored by these third party services, for registration or identification purposes.

Direct registration (This Application)

The User registers by filling out the registration form and providing the Personal Data directly to this Application.

Personal Data collected: email address and password.

Remarketing and behavioural targeting

This type of service allows this Application and its partners to inform, optimise and serve advertising based on past use of this Application by the User.

This activity is performed by tracking Usage Data and by using Cookies, information that is transferred to the partners that manage the remarketing and behavioural targeting activity.

In addition to any opt out offered by any of the services below, the User may opt out of a third-party service's use of cookies by visiting the Network Advertising Initiative opt-out page.

AdRoll (Semantic Sugar, Inc.)

AdRoll is an advertising service provided by Semantic Sugar, Inc.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy - Opt Out.

AdWords Remarketing (Google Inc.)

AdWords Remarketing is a remarketing and behavioural targeting service

provided by Google Inc. that connects the activity of this Application with the Adwords advertising network and the Doubleclick Cookie.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy - Opt Out.

Facebook Custom Audience (Facebook, Inc.)

Facebook Custom Audience is a Remarketing and Behavioural Targeting service provided by Facebook, Inc. that connects the activity of this Application with the Facebook advertising network.

Personal Data collected: Cookies and email address.

Place of processing: US - Privacy Policy - Opt Out.

Facebook Remarketing (Facebook, Inc.)

Facebook Remarketing is a Remarketing and Behavioural Targeting service provided by Facebook, Inc. that connects the activity of this Application with the Facebook advertising network.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy - Opt Out.

Twitter Remarketing (Twitter, Inc.)

Twitter Remarketing is a remarketing and behavioural targeting service provided by Twitter, Inc. that connects the activity of this Application with the Twitter advertising network.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy - Opt Out.

Remarketing through Google Analytics for Display Advertising (Google Inc.)

Google Analytics for Display Advertising is a remarketing and behavioural targeting service provided by Google Inc. that connects the tracking activity

performed by Google Analytics and its Cookies with the Adwords advertising network and the Doubleclick Cookie.

Personal Data collected: Cookies and Usage Data.

Place of processing: US - Privacy Policy - Opt Out.

User database management

This type of services allows the Owner to build user profiles by starting from an email address, a personal name, or other information that the User provides to this Application, as well as to track

User activities through analytics features. This Personal Data may also be matched with publicly available information about the User (such as social networks- profiles) and used to build private profiles that the Owner can display and use for improving this Application.

Some of these services may also enable the sending of timed messages to the User, such as emails based on specific actions performed on this Application.

Further rights of users

We don't sell or rent Users' Data to any third parties for any purpose. The only uses of Data are those highlighted in this policy. Users are the only owner of their Data and can request modification or deletion at any time.

The rights of Users

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following:

- Withdraw their consent at any time. Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- Object to processing of their Data. Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent. Further details are provided in the dedicated section below.
- Access their Data. Users have the right to learn if Data is being

processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.

- Verify and seek rectification. Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- Restrict the processing of their Data. Users have the right, under certain circumstances, to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- Have their Personal Data deleted or otherwise removed. Users have the right, under certain circumstances, to obtain the erasure of their Data from the Owner.
- Receive their Data and have it transferred to another controller. Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance. This provision is applicable provided that the Data is processed by automated means and that the processing is based on the User's consent, on a contract which the User is part of or on pre-contractual obligations thereof.
- Lodge a complaint. Users have the right to bring a claim before their competent data protection authority.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time without providing any justification. To learn, whether the Owner is processing Personal Data for direct marketing purposes,

Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. These requests can be exercised free of charge and will be addressed by the Owner as early as possible and always within one month.

Cookie Policy

This Application uses Cookies. To learn more and for a detailed cookie notice, the User may consult the Cookie Policy. [[link your cookie policy here](#)]

Additional information about Data collection and processing

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Application or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application (System logs) use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

How "Do Not Track" requests are handled

This Application does not support "Do Not Track" requests.

To determine whether any of the third-party services it uses honour the "Do Not Track" requests, please read their privacy policies.

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by giving notice to its Users on this page and possibly within this Application and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner.

It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data (or Data)

Any information that directly, indirectly, or in connection with other information - including a personal identification number - allows for the identification or identifiability of a natural person.

Usage Data

Information collected automatically through this Application (or third-party services employed in this Application), which can include: the IP addresses or domain names of the computers utilised by the Users who use this Application, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilised to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilised by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using this Application who, unless otherwise specified, coincides with the Data Subject.

Data Subject

The natural person to whom the Personal Data refers.

Data Processor (or Data Supervisor)

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Data Controller (or Owner)

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Application. The Data Controller, unless otherwise specified, is the Owner of this Application.

This Application

The means by which the Personal Data of the User is collected and processed.

Service

The service provided by this Application as described in the relative terms (if available) and on this site/application.

European Union (or EU)

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

Cookies

Small piece of data stored in the User's device.

Email

Provides access to the User's primary email address.

Legal information

This privacy statement has been prepared based on provisions of multiple legislations, including Art. 13/14 of Regulation (EU) 2016/679 (General Data Protection Regulation).

This privacy policy relates solely to this Application, if not stated otherwise within this document.
